All Squisito sausages are **handmade made with natural skins** with **no additives, no preservatives, no rusk or bread fillers** so they are **gluten free** and **100% meat plus herbs & spices**. We only use shoulder or leg of pork, choice cuts of game or poultry so Squisito sausages **lower fat than English sausages** and **lower salt** since we use less than 1.2% sea salt/Kg meat. Our pork and beef is slaughtered & butchered by **Joseph Morris of South Kilworth** winners of the Regional & National **Which? Award for "Local business of the year" 2009**, Glebe Farm of Ashorne or Pailton Deer Farm so **our meat is locally reared & slaughtered**
