Bicicletta

When the sun is shining you can't beat sitting down and watching the world go by and enjoying a cocktail. We discovered this one outside the Tre Sorelle in Positano on the Amalfi coast!

per person

a few ice cubes
1 slice of organic lemon
30ml Campari or Aperol
80ml Vernaccia or otherw white wine
like Majestic's Vernaccia di San Gimignano
1 chilled white wine glass

Chill your glasses ready. Pop in a slice of lemon about 7 or 8mm thick, top with ice cubes then add a shoot of Campari or Aperol followed by white wine to top the ice. Sti gently and serve with a small bowl of nocellara olives or Sara's lightly spiced almonds pan fried in Alex's Hot Rub.

Sit down and enjoy . . .
